

INTELLOFAX 1A INFORMATION REPORT

COUNTRY USSR (Azerbaijan SSR)

CD NO.

25X1A

SUBJECT Jet Aircraft Observed Over Baku

DATE DISTR.

15 Feb. 1952

PLACE ACQUIRED [REDACTED] 25X1A

NO. OF ENCLS.
(LISTED BELOW)

DATE OF INFO. [REDACTED] 25X1X

SUPPLEMENT TO
REPORT NO.

1. Jet fighters were first seen over Baku (40°25'N/49°50'E), Azerbaijan S.S.R., in March 1949. After this date these planes were seen aloft several times a week, usually individually but occasionally in formations of two or three planes.
2. The jet planes seen had an air-inlet in the nose, a pronounced swept wing, and a rudder assembly slanting to the rear. The elevator assembly was set just below the upper edge of the rudder assembly.
